ORDER:-

In the 1st reference read above, the Collector & District Magistrate, East Godavari District has submitted the proposal for deletion of lands to an extent of Ac.2514.53 cts situated in Ramanakkapeta, (Ac.101.52 cts), Komaragiri (Ac.13.57 cts), AV Nagaram (Ac.1477.15 cts), Kodada (Ac.922.29 cts) villages of Thondangi and U.Kothapalli Mandals of East Godavari District from the ayacut of Pithapuram Branch Canal, so as to enable Kakinada Special Economic Zone (KSEZ) to start their project activities.

2. In the reference 2nd read above, the Engineer-in-Chief(Irrigation), Hyderabad has reported that the Kakinada Special Economic Zone has purchased / acquired the lands 7619 Ac in A.V.Nagaram, K.Perumallapuram and kodada Villages of Thondangi Mandal and Ramanakkapeta Ponnada, Mulapeta and Komaragiri Villages of U.Kothapalli Mandal for industrial purpose and they are starting the project activities shortly and requested to stop the water supply to the lands purchased by Kakinada Special Economic Zone being irrigated through Pithapuram Branch Canal and also reported that to stop the water supply to the proposed deleted ayacut of Pithapuram Branch Canal (not covered under court litigations) the following steps are mandatory.

- (a) The ayacut proposed for deletion is being served from No.1, 2 and 3 sluices of Uppu tank in Kodada Village 8, 10, and 12 sluices of RRB tank in A.V.Nagaram Village and 1 and 5 sluices in Ramanakkapeta Village.
- (b) The ayacut proposed for deletion is the tail end ayacut under the above sluices. Cross bunds have to be formed by the Kakinada Special Economic Zone authorities across the field channels at the location jointly identified by the Irrigation Department and Kakinada Special Economic Zone authorities.

(P.T.O)

- (c) Protection bund to a minimum height of about 1 meter height has to be formed around the periphery of the lands acquired by Kakinada Special Economic Zone so that water supply to the adjacent ayacut will not be disturbed. It is also required to form a trench around the boundary of lands proposed for deletion to arrest flow of water in to the fields, which has to be attended by the Kakinada Special Economic Zone authorities.
- (d) The joint team to be constituted with Revenue, Agriculture and Irrigation Department to motivate the ayacutdars not to take up transplantation for Khariff in the lands which have been taken over by Kakinada Special Economic Zone.
- (e) The Kakinada Special Economic Zone authorities have to make their own arrangements for supply of water to the ayacut which covered under court litigation and the Irrigation Department cannot make any field trenches separately for such lands.
- (f) The Revenue and Kakinada Special Economic Zone authorities have to extend co-operation to the Irrigation Department to avoid protest if any raised by the ayacutdars of deleted ayacut in stoppage of water to their lands during Khariff season.

3. Government, after careful examination of the report of the Engineer-in-Chief(Irrigation), Hyderabad, hereby accord permission for deletion of lands to an extent of Ac.2514.53 cts situated in A.V.Nagaram and Kodada villages of Thondangi Mandal and Ramanakkapeta and Komaragiri Villages of U.Kothapalli Mandal of East Godavari District from the ayacut of Pithapuram Branch Canal with the conditions indicated at para 2(a to f), so as to enable Kakinada Special Economic Zone (KSEZ) to start their project.

4. The District Collector, East Godavari District, Kakinada and the Engineer-in-Chief (Irrigation), Hyderabad is requested to take further steps following the due procedure.
